WHAT CLIENTS ARE SAYING *About Chris Earley*

"A Very Warm and Honest Person"

"I worked with Christopher on a personal injury case regarding a bicycle accident. The only information I managed to gather at the time of the accident was the name and phone number of the other party. Christopher did an excellent job in solving the case in just four months and kept me well informed the whole way through. Also a very warm and honest person to work with. Highly recommend the service of Christopher Earley!"

Tomas M.

"I Felt Like I Was Talking to a Friend"

"Chris handled my slip and fall injury. The only other time I had used a lawyer was in a divorce. When I fell, I Googled a personal injury lawyer. I didn't want to use one of the several lawyers "as seen on TV". In my internet search, I found Christopher Earley. I read all the reviews and, based on all the positive reviews, I called. I wasn't disappointed. When I called, I actually got to talk to Attorney Earley, who promptly told me to call him Chris. I told him my situation and he explained to me what he could do for me, how the process works and what I should expect. Two sentences into the conversation, I felt more like I was talking to a friend than speaking with a lawyer. He told me what information he needed and we did all of our corresponding via telephone, email and mail. I didn't have to travel from Central Mass to Boston. Needless to say, he won my case. The process was professional and worry free. He kept me informed every step of the way. I never had to wonder if anything was happening with the case. I would highly recommend him to anyone."

Marianne S.

*"My Mom Got the Justice
She Deserved"*

"The Law Office of Christopher Earley took on my mother's case after her slip and fall. We had gone to countless attorneys who did not want to take the time to pursue her case. After speaking to a family relative, we were directed to Mr. Earley, who worked countless hours to ensure my mom got the justice (& money) she deserved. From the very beginning, he was attentive, caring and persistent. He never let us down, even when we felt that nothing would come of it. He remained positive and hopeful and for that we recommend him to anyone looking for a lawyer who will fight tooth and nail. We want to thank his law office for all that they do, it has been GREATLY appreciated!!!"

– Jessica T.

"Above and Beyond"

I was dreading hiring an attorney but from the moment I spoke with Christopher I felt at ease. We met and I felt like he genuinely cared about my situation. He explained the whole process, it was clear he was an expert in this area, and I felt like my case would be in excellent hands so I hired him. He was always responsive to my questions throughout the case. In the end the settlement was more than I had expected (but I think fair), and Christopher had gone above and beyond what I thought he would do. I would have no reservations about highly recommending him as a personal injury attorney.

– Kurt W.

*"Highly Knowledgeable, Professional
and Compassionate"*

I tore ankle ligaments and a rotator cuff during a slip and fall. I had no previous experience with personal injury attorneys. I was referred to Attorney Chris Earley by another lawyer. I was met at a convenient and accessible location, Attorney Earley was highly knowledgeable, professional and compassionate. With these qualities I knew I was in good hands. As the case progressed, Attorney Earley and his staff were never more than just a phone call away. I was never just a case number. The case was resolved quickly with a settlement that was highly respectable. This firm offers the best of both worlds; the clout, knowledge and experience of a very large practice, with the individualized attention of a smaller boutique practice. I would HIGHLY recommend Attorney Chris Earley for a favorable outcome.

– Lisa D.

"A Settlement I Was Happy With"

I received second degree burns on my body due to negligence by a yoga studio. I was new to Boston and didn't know what lawyers to contact. I found Chris through google and met with him to discuss my case and if he would be able to get justice for me. He was very understanding of my situation and extremely compassionate. He was persistent with the insurance company and fought hard with the adjuster to get me a settlement that I was happy with. It took longer than I thought it would, but Chris kept me updated at every step of the way. I wouldn't change anything if I could go back in time. I highly recommend him to anyone looking for a strong lawyer to represent them who is not afraid to stand up to and battle it out with insurance agents!

– Amber N.

"An Outstanding Experience"

"Working with Christopher on my case was absolutely perfect. Christopher went out of his way to make the experience following my accident trauma as easy as possible. I provided him and his staff with what was needed and everything was taken care of with absolutely no inconvenience or hassle. Both Christopher and his staff were very polite and easy to contact and communicate with. I have had bad luck in the past with working with lawyers who do not have my best interest. I will always work with and confide in Christopher in the future in regards to his arena of law. This was an outstanding experience with which I would repeat again without question. Thank you Christopher! Excellent work!"
