Strong Parents Raise Strong Kids

by Chris Earley

This is my Mom, Sue.

In her life she has been through so much.
She managed though when I was growing
up to give me so many opportunities that
her parents could not give to her have when
she was growing up.

Now, because of everything she gave to me, my kids have better opportunities
than I ever had, and that's the way it should be. Each successive generation
should have more opportunities than the one that came before it. I ultimately
want my kids' kids to have more than they themselves have.

Strong parents raise strong kids. That is real and true progress. And that progress
is fueled by and only made possible by LOVE. ■

- Chris Earley

*My kids love spending time
with their grandmothers.*

Amazing Lawyers

I had the total pleasure and honor recently to present to the
Massachusetts Academy of Trial Attorneys (MATA) which
is a professional organization I belong to, and through
which I have met some amazing lawyers who have helped
me tremendously along the way.

Some of the very best trial lawyers in Massachusetts were
in the room and I am blessed and grateful beyond belief for
the opportunity.

Whoever Has Helped You On The Way Up, Make Sure To Say THANK YOU, And Say It Often

by Chris Earley

A huge THANK YOU to my mentor, Bob Graves

This is an old friend, Bob Graves. He has been a licensed attorney since 1969 and he is still going strong today. How amazing is that?! I met him when I first got out of law school and he gave me an opportunity to work with him. It was an informal partnership.

I truly had no clients, and more importantly, no clue on what I was doing. The partnership fizzled and then he gave me a really cheap deal to rent an office in his building, and I at that point decided to go for it and start my own practice.

Looking back, things have changed so much since then, and so much of my growth I owe to him and what I learned in those early days when I was literally completely flat out BROKE and SCARED.

I invited him out to lunch recently because I wanted to break bread and thank him for the start he gave to me. Much of what I have professionally stems from those early days of working with him, and learning from seeing how he did things. I am not so sure that I would be where I am today without him.

Whoever has helped you on the way up, make sure to say thank you, and say it often. ■

What Others are Saying

about the Earley Law Group

Excellent in every sense of the word!

“Chris was excellent in every sense of the word! He made my life so much easier after I was a victim of an auto accident. I hope that never happens again, but I would call him immediately if it did!”

Julie P.

Chris Earley represented my wife on a dog bite case and got her the best compensation for her injury.

“I've been an experienced litigator for over 20 years and have had the pleasure of meeting and working with multiple attorneys. Attorney Chris has demonstrated that he is a sincere lawyer who cares very much about his clients. He diligently works to get the best results for all his clients. He represented my wife on a dog bite case and got her the best compensation for her injury. Because of what I witnessed while Chris handled my wife's case, I called him when I was in a car accident to represent me. His staff also sincerely cares about Chris's clients and are very professional and competent. I recommend the Law Office of Christopher Earley to anyone with a personal injury case. Thank you Chris and God bless you. You're a blessing.”

RORY'S RECIPES:

Summer Tortellini Salad

This is a really simple summer pasta salad that everyone loves! I had it at a family 4th of July party many years ago and have recreated it several times.

INGREDIENTS:

- 20 ounce package refrigerated cheese tortellini
 - 1 1/2 cups chopped grape tomatoes
 - 1 large chopped cucumber
 - 1/2 cup chopped red onion
 - 3/4 cup crumbled feta cheese
 - Small bottle of plain (not zesty) Italian dressing
- (You can also add chopped olives if you like them!)

DIRECTIONS:

Cook and cool the tortellini, then combine all the chopped ingredients in a big bowl, then toss with the dressing.

The measurements are rough – it's really more to taste. Only tip is go light on the dressing to start, as you can always add more.

Enjoy!
