We are excited to welcome **Graham Wright**, our new **Managing Attorney** at the Earley Law Group.

Earley Office Buzz

by Chris Earley

So excited and happy to announce that Attorney Graham Wright has joined our firm as our Managing Attorney. Graham brings both many years of experience as well as an existing practice that he built all on his own. We are really excited to have him onboard as we continue to grow and help more and more injury victims.

I recently hosted another 'Lunch with Lawyers' event which was a huge success. It was a gathering of 6 different lawyers (including one judge even) and we had a good time chatting about the issues that we all face. This is the second 'Lunch with Lawyers' I have hosted and I am looking forward to many more. If you are a lawyer, do not miss the next one!

Shooting our new television commercial.

When it comes to lawyer advertising, when everyone zigs, we zag. We recently shot a new television commercial that is creative and fun. It's different from other lawyer commercials. Whatever you do, don't ever be afraid to stand out from the pack.

In other office news, we are very happy to announce we will soon be opening up a second office location. Stay tuned for more updates! 📺

KIDS' KONCOCTION ~~RORY'S RECIPES:~~ Kids' Quesadilla

When our parents do 'Taco Tuesday,' we request cheesy gooey quesadillas!

Have your Mom put a little bit of butter in the pan, then put one giant tortilla in the pan. Add about 17 cups of shredded cheese and then add the top tortilla. Press down with the spatula so everything gets crispy and the cheese gets super melty, and then flip it and cook the other side.

Sometimes our Mom puts in avocado and tomato for some healthy veggies, but we prefer just plain cheese!

We also love "white dip" to go on the side. (Aka sour cream).

After a slip and fall accident, the next steps you take are crucial.

You had a slip and fall accident. Maybe you slipped and fell in a store? Maybe you fell at a rental property? Maybe you slipped on snow or ice?

What are you supposed to do now? You are injured. Maybe you can't even go to work. You are receiving medical treatment. Are medical bills piling up? You may be stressed about the situation. The next steps you take are going to be crucial. Slips and falls surprisingly account for roughly 1 million hospital visits each year in the United States. These accidents can result in strains and sprains, broken bones, and other injuries.

BOOKS I AM READING

50 Lessons for Happy Lawyers by Nora Riva Bergman.

Many people don't realize it but many lawyers sadly are extremely unhappy. That is why I consider books like this one so important.

Christopher did an excellent job in solving the case in just four months and kept me well informed the whole way through. Also a very warm and honest person to work with. Highly recommend the service of Christopher Earley!"

EARLEY FAMILY NEWS

Oliver recently started taking 100 shots each day. He intends to keep this up for quite a while. It's crazy to think how much these small daily investments will compound and pay off for him over time. Success I believe is found not by doing big things once in a while and randomly, but by doing the small things every single day with discipline.

Rory is currently taking online courses at the University of Vermont and studying to become a death doula. This is someone that provides comfort to someone who is nearing the end of life. This is very compassionate and important work!
